

## ☞ Scent of an Angel ☜

This year you will ride to many destinations collecting many of miles  
Or if you travel due to business or pleasure,  
The Ladies of Harley would like you to think of Us!

In each of your Hotel stays, the facility will provide you with Free Shampoos,  
Conditioners, Lotions, Shower Caps, Soaps, etc.

LOH is asking for you to save your unopened / unused hospitality items for Us.  
We will be putting together gift baskets for a local charity to be distributed during the  
holidays. Your help in contributing to this project would be greatly appreciated.

You can drop off your collected items at any of our AE HOG Chapter Meetings  
throughout the year. If you have any questions please do not hesitate to contact me.

Thank you in advance for your help and support!
